

1 COMMUNITY GROUPS PAGE

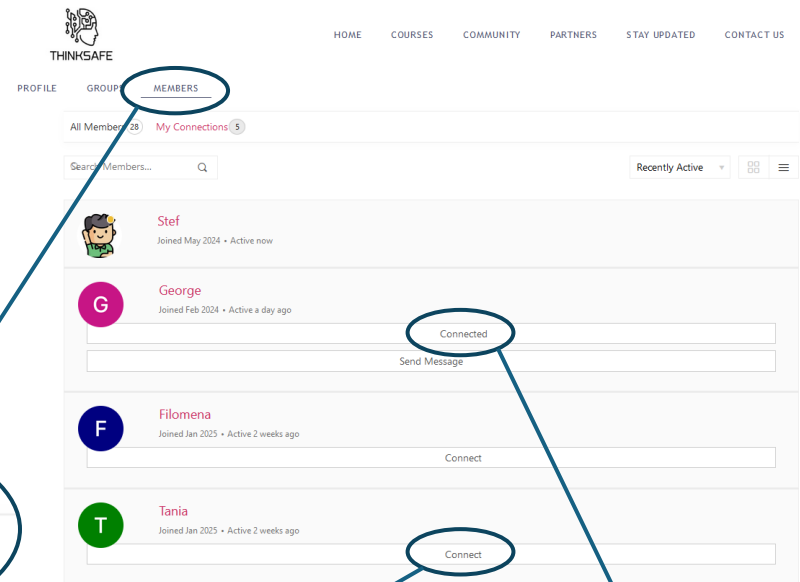

By selecting a group, you can view the list of registered members and check their activity.

Easily join a group to participate in discussions or leave anytime if you no longer wish to be a member.

2

COMMUNITY MEMBERS PAGE

This number indicates how many friends or connections you have already made on the platform.

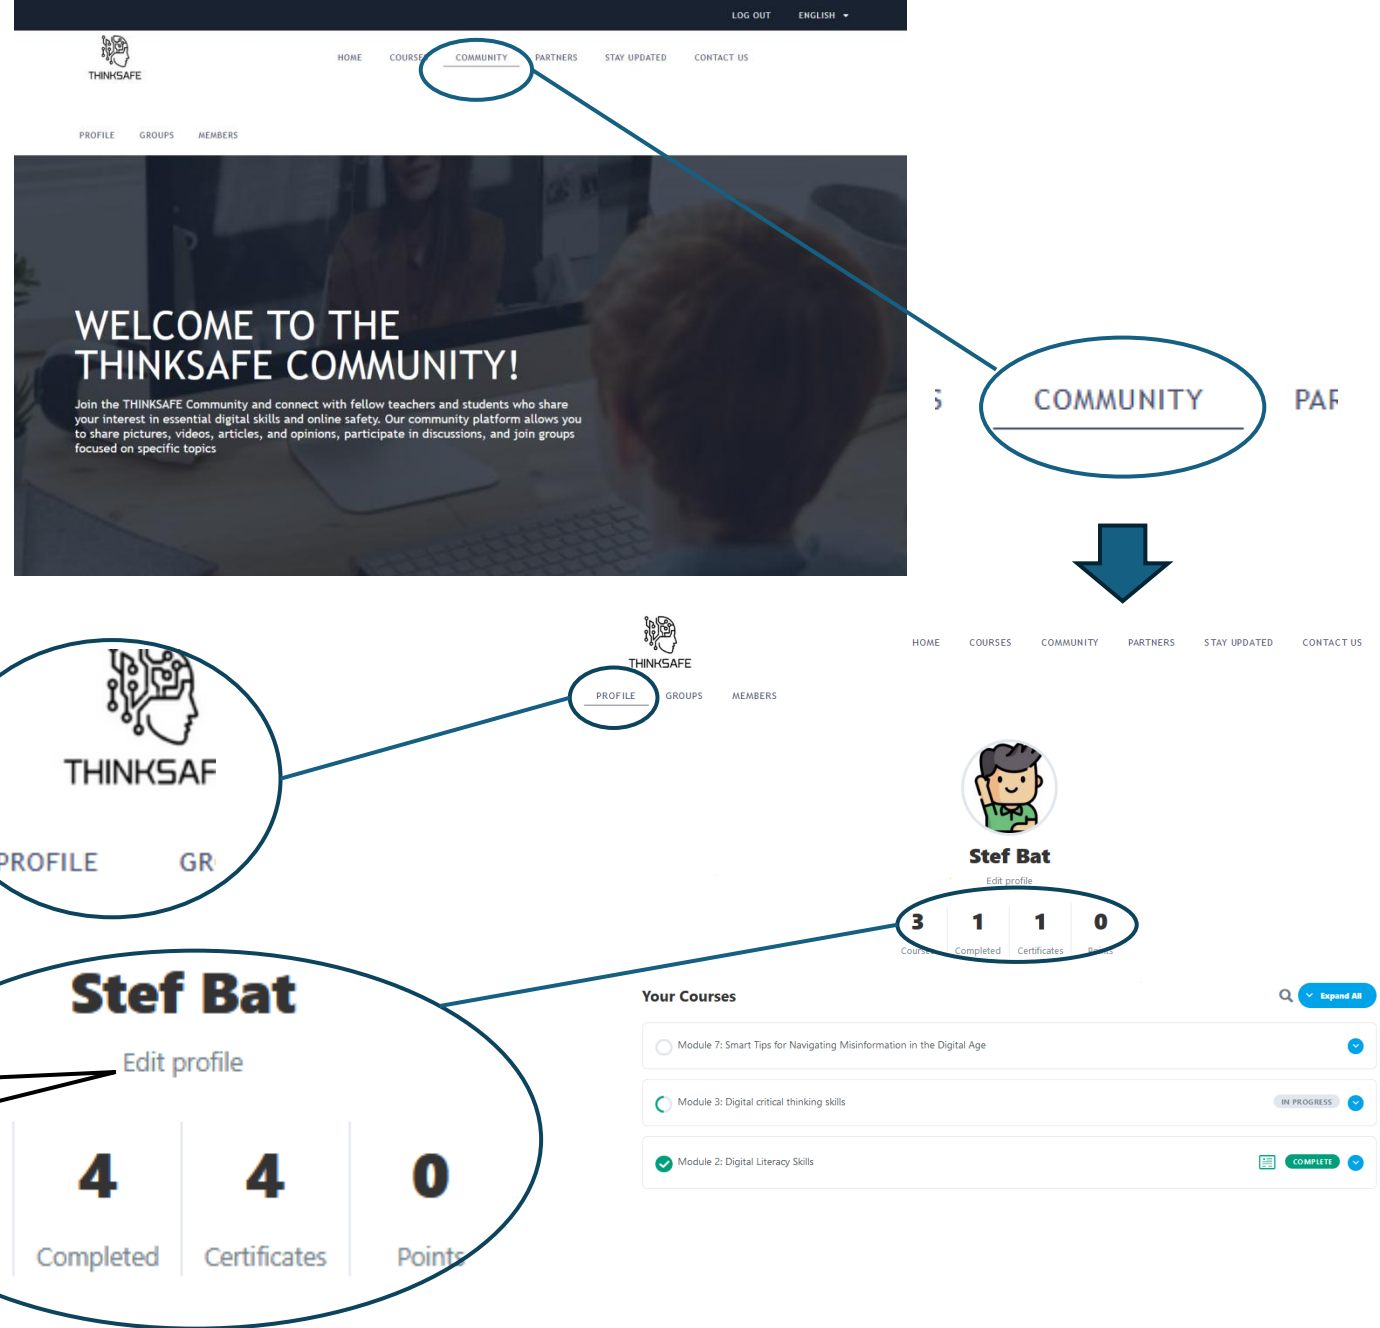

Clicking “Connect” sends a friend request to the selected user, allowing you to connect with them.

THINKSAFE COMMUNITY GUIDE

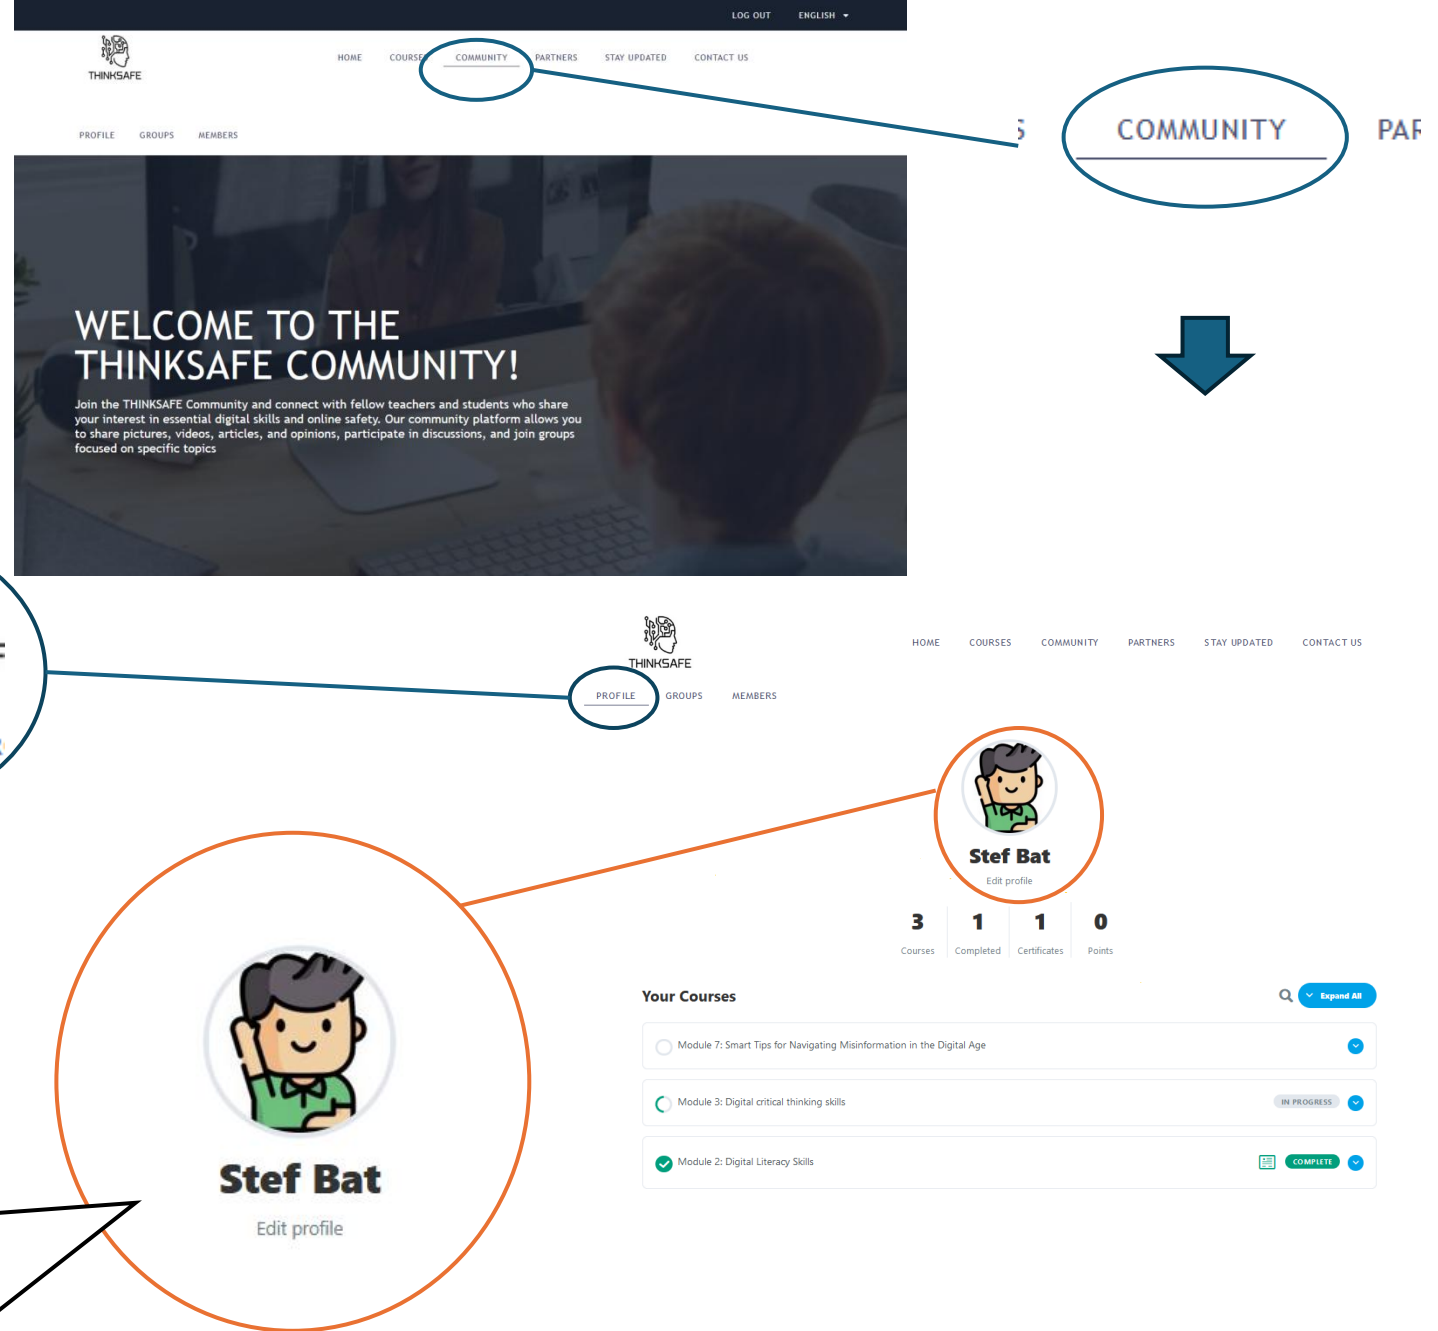

“Connected” status means you are already friends with a user and can chat with them directly.

The 'Edit' option enables you to modify all attributes related to your profile information, ensuring that your details remain accurate and up to date.

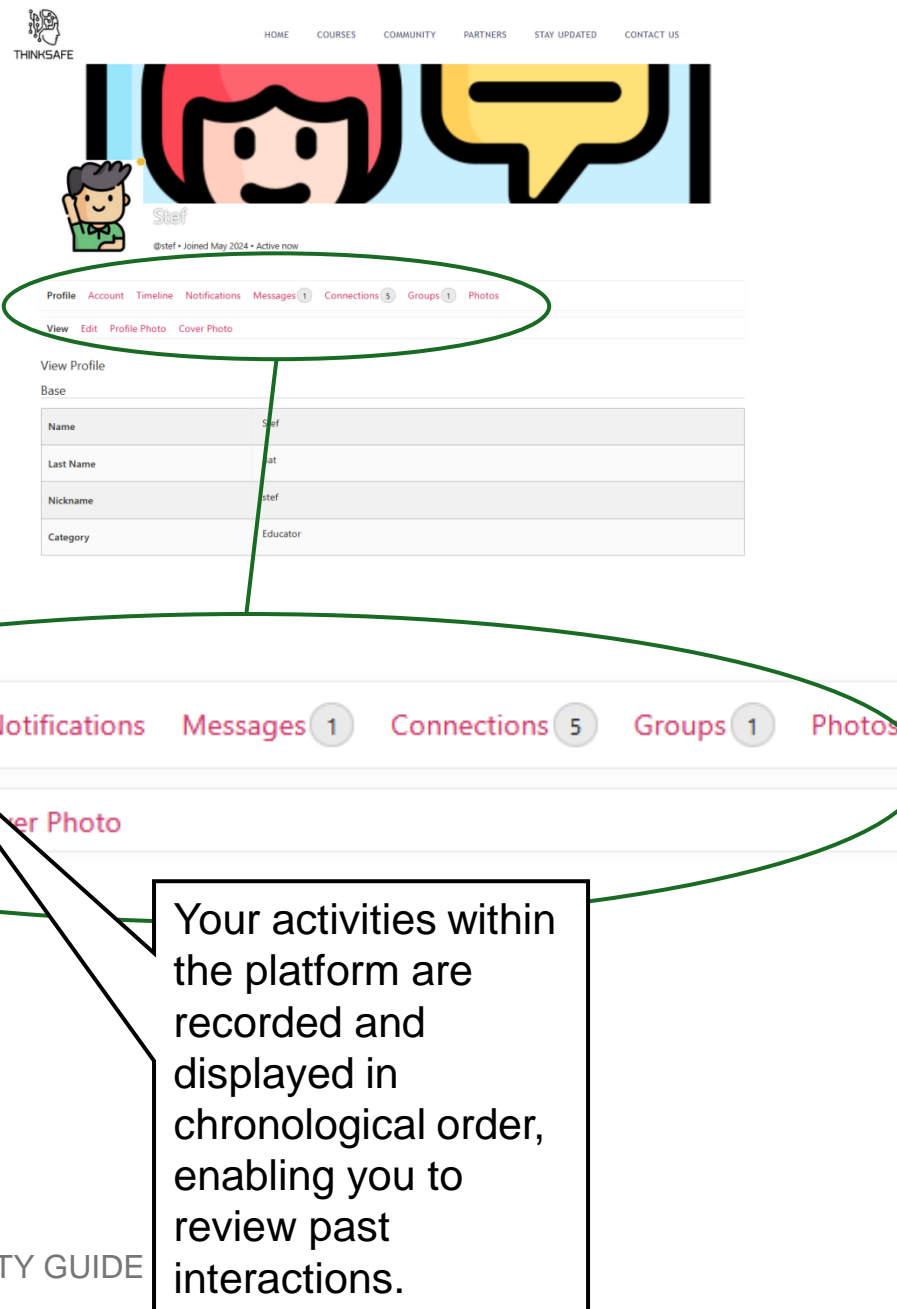

6

COMMUNITY EDIT PROFILE PAGE

Basic information, such as your first and last name, is displayed in this section.

This section allows you to update and set a new password for your account.

Your activities within the platform are recorded and displayed in chronological order, enabling you to review past interactions.

7

COMMUNITY EDIT PROFILE PAGE

The screenshot shows the THINKSAFE community profile page for a user named 'Stef'. The page includes a header with navigation links (HOME, COURSES, COMMUNITY, PARTNERS, STAY UPDATED, CONTACT US) and a profile card with a cartoon avatar, the name 'Stef', and the handle '@stef • Joined May 2024 • Active now'. Below the profile card is a horizontal menu with tabs: Profile, Account, Timeline, Notifications, Messages (1), Connections (5), Groups (1), and Photos. A secondary menu below this includes View, Edit, Profile Photo, and Cover Photo. A 'View Profile' section follows, containing a table with user details.

Category	Educator

Three callout boxes provide detailed explanations for specific sections:

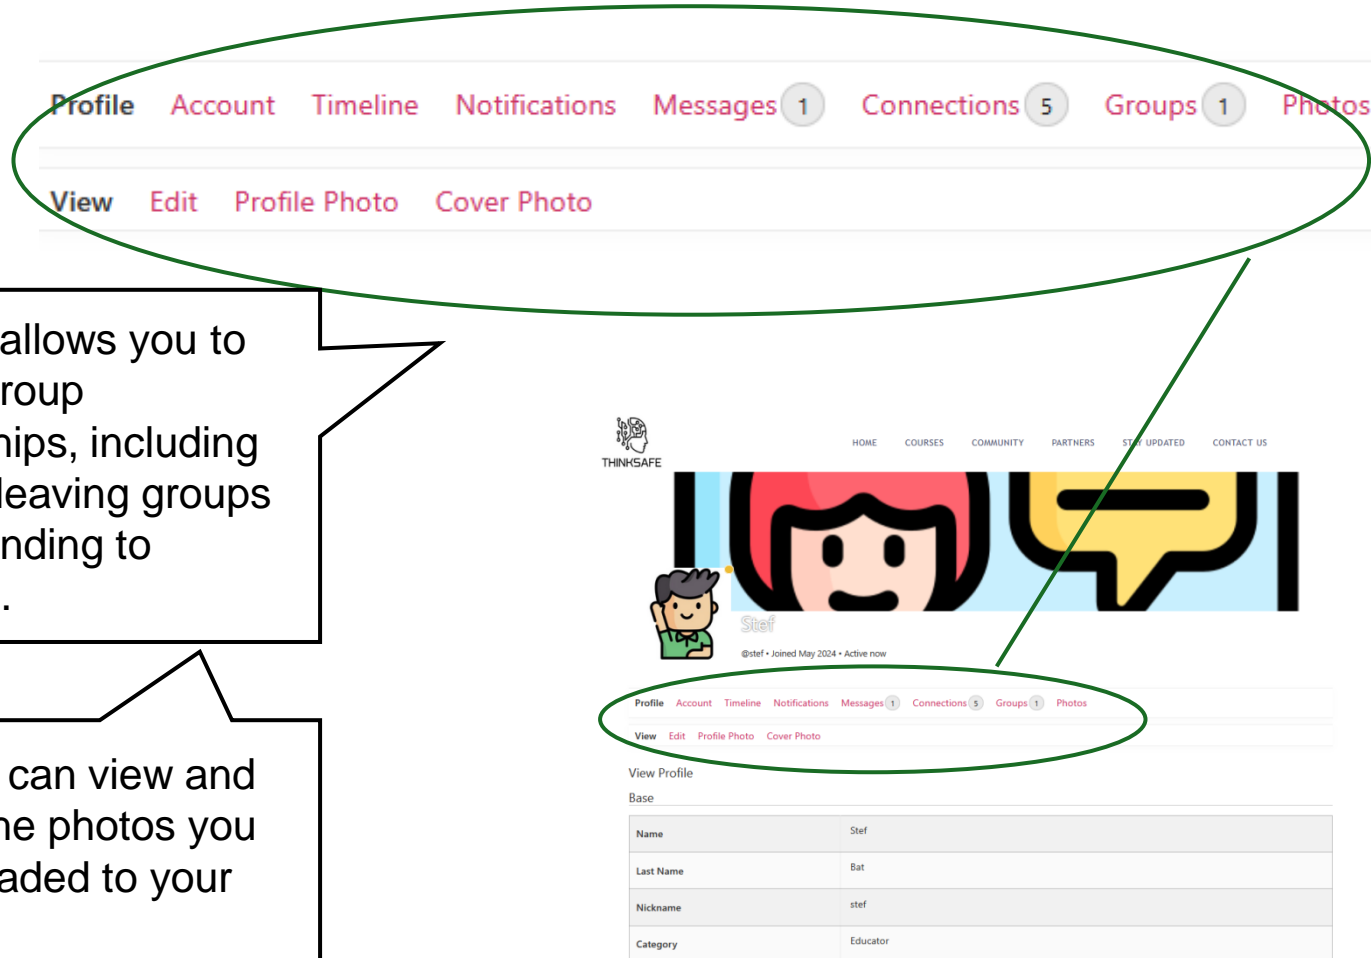

- Notifications:** All unread notifications are listed in this section, ensuring that you stay informed about any updates or interactions.
- Messages:** This feature provides access to private and group messages, allowing you to communicate with other members of the community.
- Connections:** Through this section, you can send new friend requests, manage existing connections, and accept pending requests.

8

COMMUNITY EDIT PROFILE PAGE

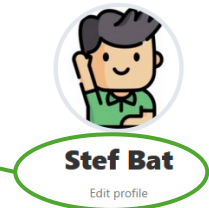

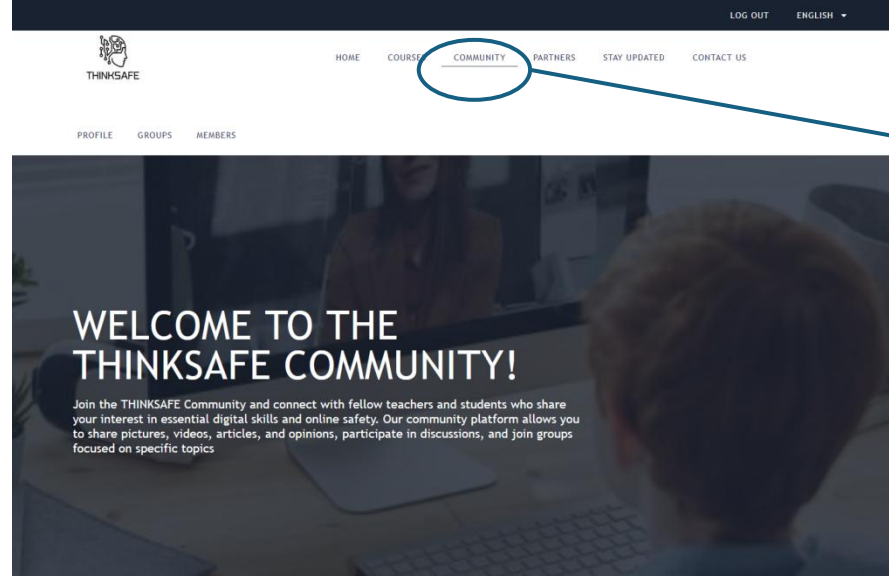

This area allows you to manage group memberships, including joining or leaving groups and responding to invitations.

Here, you can view and manage the photos you have uploaded to your profile.
